

## **GOTTADANCEWITHUS.COM, A SOCIAL NETWORKING SITE FOR ADULTS WHO LOVE TO DANCE, LAUNCHES**

*Site is inspired by the acclaimed documentary "Gotta Dance,"  
opening in theatres this summer*

**Los Angeles, CA - (June 12, 2009)** – Dramatic Forces, the company behind the empowering and uplifting documentary *Gotta Dance*, launched today the only online site exclusively for adults who love to dance. [www.GottaDanceWithUs.com](http://www.GottaDanceWithUs.com) is an interactive community where dance-lovers of all kinds (Ballroom, Tap, Salsa, Line-Dancing, Hip Hop, etc...) can meet, find out where and how to learn to dance, share dance tips, stories and moves, compete for prizes, and converse with other dancers in the forums.

[www.GottaDanceWithUs.com](http://www.GottaDanceWithUs.com) is inspired by the critically acclaimed and crowd-pleasing documentary, *Gotta Dance*, which captures the adventures of the *New Jersey NETSationals*, the first-ever, seniors hip-hop dance team. Directed and produced by Dori Berinstein, *Gotta Dance* follows 12 women and one man, all dance newbies, from auditions to center court stardom. The film will be released in New York and Los Angeles this summer, rolling out to additional markets in the early fall. New York will be dancing July 31<sup>st</sup> with Los Angeles joining in on August 21<sup>st</sup>.

In addition to the typical social networking capabilities, [www.GottaDanceWithUs.com](http://www.GottaDanceWithUs.com) also provides a number of innovative ways for dance groups and individuals to express their love of dance and to experience exciting new dance opportunities. These include: becoming a *Gotta Dance* Online Dance Instructor; learning the *Gotta Dance Slide* and posting videos of dance teams performing this easy and fun routine; taking part in the non-profit *Gotta Dance* Project, which intends to bring generations together through dance, health, fitness and mentoring; and hosting a screening of the film as a fundraiser or community outreach.

There is also information about the *Gotta Dance* program, which recently launched fleet wide on the Royal Caribbean cruise line. Cruisers of all ages are invited to join the *Gotta Dance* Team, learning hip-hop routines and performing for their friends and family.

Of course, there is also a link to the newly launched website for the film *Gotta Dance* at [www.gottadancethemovie.com](http://www.gottadancethemovie.com).

Dori Berinstein, President of Dramatic Forces and director/producer of *Gotta Dance* is available for interviews to discuss [www.GottaDanceWithUs.com](http://www.GottaDanceWithUs.com) and her film.
